

Keep Clean Singapore 2019

23 April 2019

Al-nasry Kindergarten

On the 23rd April 2019, Ang Mo Kio Town Council collaborated with Al-nasry Kindergarten at Blk 552, Hougang St 51 to organize a litter-picking event. Both the students and their parents participated in the event, to advocate the importance of a litter-free community. We shared with the children and their parents about the littering issues faced around the estates and communicated with them on the importance of nurturing proper rubbish disposal habits.
