

# Keeping the Estate Clean

8 August 2019  
Care Corner Singapore

On 8 August 2019, 30 volunteers from Care Corner Singapore picked up litter from Blks 301 to 306, 311 to 314, 317 to 329, and 343 to 348 Ang Mo Kio Ave 1. Through the activity, they raised awareness on estate cleanliness.

“As we went around picking up litter, some kids saw us and they started picking up the litter alongside us. In a way, it was a meaningful experience for me as I get to impart positive values into the lives of the young youths.”

- Mr. Sean Christopher Tan, 25.
