

Keep Clean Singapore 2019

13 June 2019

EduFirst Learning Centre
(Sengkang Branch)

As part of the annual Keep Clean Singapore movement, Ang Mo Kio Town Council partnered EduFirst Learning Centre (Sengkang Branch) to organise a litter-picking event at Blk 405A- Blk 405C Fernvale Lane.

The children enjoyed the session and are now more aware on how littering can affect the environment.

“ I hope that when we pick litter, fewer animals will die from eating plastic.”
-Narayanan (9 years old)
