

Keep Your Neighbourhood Clean
22 July 2019
Sunshine Park Preschool (Singapore)

On 22 July 2019, a small group of pre-schoolers from Sunshine Park Pre School 338, accompanied by their Vice Principal, Ms Krishnan and Ms Wu, their Chinese language teacher, were briefed on what Town Council does to help maintain cleanliness in their neighbourhood.

After the briefing, the little tots shared their thoughts on what they understand about keeping their surroundings clean.

“Singapore is supposed to be a clean country. We all should do something like pick up the rubbish when we see it.”

- Danish (6 years old)
