

Reopened Cheng San Market and Cooked Food Centre

Better Dining Experience

New Tables and Chairs

Enjoy your meals comfortably with our new seating areas.

Better Ventilation

The new fans help improve air circulation for a more pleasant dining experience.

Enhanced Safety Features

New Switchboard Buttons

The switchboard buttons and locks were improved to prevent power outages.

Repaired and Repainted Roof and Roof Gutter

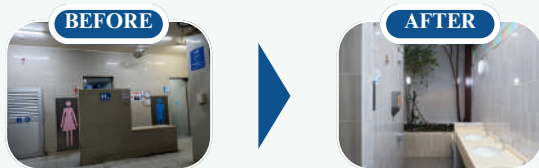

The roof and its gutter were repaired and repainted to prevent water leakage during wet weather.

New and Improved Amenities

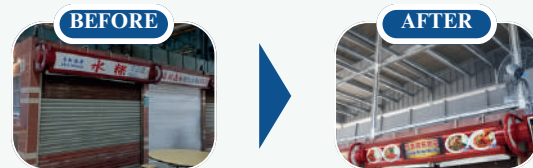

New Toilets and Wash Basins

The new toilets and wash basins provide users with improved hygiene and enhanced user comfort.

New Bird Deterrent Measures

The new bird deterrent measures including bird nettings prevent birds from roosting on the ledges.
